Pony Club is one of the leading junior equestrian organizations in the world, represented throughout 30 countries. The United States Pony Club has over 600 individual Clubs spread throughout 48 states and the Virgin Islands, with more than 12,000 members.

The Rio Grande Region has been selected to host the USPC 2010 Annual Meeting in Houston, Texas. It is a big honor – and a big responsibility. We want to offer the best Texas-size welcome we can for the 800 – 1000 active members and adult volunteers from all over the US who attend this workshop.

We need your help to make this happen. We have enclosed a list of partnership choices and feel that we are able to offer some exciting possibilities.

Thank you so much for your consideration. Without generous donors like you, quality leadership education offered by organizations like ours would not happen.

Best,

Erin Wright
